

SAFTI Alumni Family Battle Box Day
23 Dec 06

On 23 December 2006, SAFTIrians, SAFTI Alumni members, family and friends visited The Legends Fort Canning Park for an exclusive tour of The Battle Box. Allowing visitors to witness the drama as British forces surrendered to the Japanese, as wax models, audio and video special effects re-create the events as they unfolded on that fateful day on 15 February 1942. This was followed by a Open house club tour, which included a sumptuous lunch and other interesting activities such as salsa/ballroom dancing for the adults and free movie screenings for the children. All in all the visitors thoroughly enjoyed themselves, recognising the importance of national service in defending our country.
