

50/02 OCC Charlie Wing Reunion

On the 6th October 2006, the 50/02 OCC Charlie Wing gathered at the SAFTI MI Officer's Mess for a Wing Gathering. Organised by the ex Cadets with the support from the Instructors, the gathering saw a good turn out from both cadets and instructors.

Besides coming together on the Mid-Autumn evening to rekindle old ties and to renew our friendship, the gathering also celebrated the career achievements of LTC Jasvant Singh who served as the Cohort's Wing Commander. At the start of the gathering, Wing Representative, LTA (NS) Ang Wei Shun presented LTC Jasvant Singh with a replica of Napoleon's Dagger. Traditionally, Emperor or King would bestow upon accomplished Generals/ Military Commanders with their personal dagger as a recognition of their military achievements and the Charlie Cadets wish to emulate the ancient tradition as a mark of our respect for our Wing Commander who has inspired us profoundly.

The evening saw ex-cadets and instructors mingling freely and sharing each other's accomplishments these last few years. It was a wonderful feeling seeing everyone coming together again.

At the end of the evening, the ex-cadets and instructors all pledged to organise one such reunion every year in the month of October.

We look forward to another reunion in 2007 back in the "Home of the Officers Corps".
