

### **31<sup>st</sup> CSC – TOTAL RECALL!**

The class of year 2000, 31<sup>st</sup> CSC was “recalled” at course level for the first time since graduation on the 3 Aug 07 in SAFTI-MI Officers Mess. The inaugural event was well supported by both the graduands and former directing staffs from the 3 Services despite their busy schedules. Most significantly, the event was graced by former Comdt SCSC, BG(Ret) Lim Kah Kee. The gathering was aimed at building on the invaluable relationship that was established 7 years ago. All the participants had a great time catching up with one another and exchanging name cards while some even took the opportunity to “settle old scores” ☺
