DXO - Defence Executive Officer

The mission of MINDEF and the Singapore Armed Forces is to enhance Singapore's peace and security through deterrence and diplomacy, and should these fail, to secure a swift and decisive victory over the aggressor.

You contribute towards Singapore's security as a non-uniformed defence professional. You can look forward to a rewarding and fulfilling career with the diversity of roles and opportunities in MINDEF.

/ A DYNAMIC AND SUPPORTIVE WORK ENVIRONMENT TOGETHER WE DEFEND AND GROW

The DXO scheme offers career progression and comprehensive training for all officers, regardless of aspirations, interests and capabilities.

We believe in your potential and the value you will bring to our defence cause. With each DXO bringing different skills and expertise, we invite you to join us as we work alongside one another and our uniformed counterparts to realise our defence objectives.

“

My work environment is fun and challenges me. I guide NSmen on their NS journey, advising them and facilitating their training and activities. When I see them train without having to worry about administration, I feel a sense of achievement.

”

RAZALE BIN NORDIN

Assistant Director (NS Relations & Engagement)

“

As a young officer, my superiors coached me on essential skills and exposed me to different projects. I've been given opportunities for personal and professional development, like the MINDEF Postgraduate Award to pursue an overseas graduate course.

”

WONG WAN YING

Deputy Director
(People Services Digital Office)

WORK CULTURE ***THRIVE IN A SUPPORTIVE ENVIRONMENT***

We believe in fostering a work culture that nurtures personnel. The DXO scheme adopts a performance-based rewards approach and harmonises work and life with flexible work arrangements.

SWAPNA D.O. SILVAM

Manager (Sense & Response)

“

My superiors have been very supportive and encouraging throughout my DXO journey. They have given me opportunities to learn new knowledge and skills, and took the time to mentor and provide me with valuable feedback to bring out the best in me.

”

“

My superiors lead by example. I have had the opportunity to work under both military and non-military personnel and each has brought unique perspectives to the table.

”

ANGELINA CHUNG

On secondment

KELLY ANG

Assistant Director (Expenditure Policy)

“

The work environment at MINDEF HQ is similar to the private sector. MINDEF provides a conducive environment for work as well as dedicated areas for staff to come together and relax.

”

DAVID LOO

Date Scientist

“

MINDEF provides ample opportunities and means for self-learning through funds and days off for courses, study awards and sponsorships for post-graduate studies.

”

“

In MINDEF, there is an emphasis on life-long learning. The DXO scheme provides me with time off and resources to acquire skills that are relevant to me and pursue personal development.

”

KENNETH SOO

WONG WAN YING

Deputy Director (People Services Digital Office)

“

I joined MINDEF as a fresh graduate. The idea of being able to contribute to the defence of Singapore as well as the competitive pay package attracted me to pursue a career as a DXO.

”

“

The camaraderie spirit, teamwork and the mission-focused attributes of the people I work with is the most enjoyable aspect of my job.

”

MABEL LING

Manager (Finance)

/ LEARNING & DEVELOPMENT ***NURTURING YOUR GROWTH WITH DIFFERENT OPPORTUNITIES***

The development of DXOs is important to MINDEF.

There are different types of training to help develop your competencies and skills further.

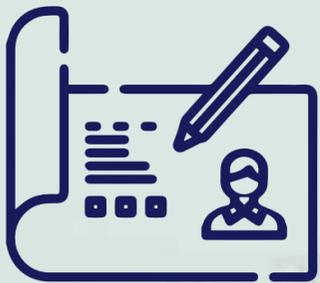

Besides taking part in milestone programmes, courses and seminars which are planned by the organisation, you can initiate your own learning with annual training credits, or apply for training awards and sponsorships to pursue further studies.
